متن فایل صوتی شماره ۳

Persian language on the Internet. Persian also know as Farsi, is the official language of Iran and it is widely spoken by millions of people around the world. The Internet has made it easier for people to learn and practice the Persian language. There are many websites and the online courses where you can find lessons, videos, and exercises to improve your Persian. You can learn how to read and write in Persian; practice speaking and even study the rich culture in history of Iran.

One amazing thing about the Internet is that it connects Persian learners with native Persian teachers. You can talk to your teachers in Iran, ask your questions and improve your conversational skills in Persian.

However, you need to be very careful when you use the Internet, to learn anything. Not all websites offering Persian lessons are good. Some might have incorrect information. **کانال راه موفقیت دانش آموزان را در روبیکا دنبال کنید**
